## **January is National Mentoring Month**

Whether it was an older brother or sister, a neighbor, relative, or a special friend, most people have had someone who they looked up to, who made a difference in their life. Maybe they took time to play with you, or help you, or just let you know that they care. Whatever it was, their impact on your life will never be forgotten and when thought about, it makes you feel warm, cared about, and special in some way.

At Big Brothers Big Sisters of Ocean County we're asking you to take these feelings and share them with a child in need. Pass it on, Be a Mentor! is the theme for 2007's National Mentoring Month taking place this January.

As you make your New Year's resolutions this year, we hope that you might resolve to help a child. What better way to do so than by becoming a mentor to a child right here in Ocean County. Currently our program has 135 children on our waiting list, 95 of which are boys. To find out how you can help make a difference for one of the children, please contact [bbbsoc@optonline.net](mailto:bbbsoc@optonline.net) or 732-905-5349. Pass it On, Be a Mentor!

For any questions, please call BBBSOC at 732-905-5349. More information can be found at [www.bbbsoc.org](http://www.bbbsoc.org). BBBSOC is a 501(c)(3) non-profit organization.
